

STREAMLINE INVENTORY WITH DISTRIBUTOR INTEGRATIONS

Celerant Technology offers integrations to leading hunt/camp/fish distributors, enabling you to streamline your inventory supply chain for both in-store and online sales. Celerant’s integrations allow you to take full advantage of your distributors by leveraging their available inventory and drop shipping services— so you can offer wider product lines and sell more with less effort.

Celerant is continuously expanding its distributor integrations, offering the flexibility to carry products from your preferred distributors.

IN STORE

- ✓ **Vendor Catalogs:** Browse your distributor’s catalogs directly from Celerant’s point of sale; and easily import the products you want to carry.
- ✓ **In-Store Kiosks:** Carry 1000s of more products by displaying your distributor’s inventory data feeds (with images) via Celerant’s kiosks; and drop ship orders through your vendors.
- ✓ **Automated Ordering:** Send distributor’s purchase orders to reorder inventory, and automate the process based on min/max stock levels. Prioritize distributors based on preferences.

ONLINE

- ✓ **Endless Aisle:** Display your distributors’ available inventory (with images) on your Celerant eCommerce platform, giving the impression of an ‘endless aisle’ of products.
- ✓ **Data Feeds:** Ensure current product data automatically reflects on your eCommerce website with stock levels, product images, descriptions and MSRP.
- ✓ **Drop Shipping:** Automatically route orders to your distributors’ so they can drop ship directly to your customer, another FFL location, or your store for customer pickup.
