

IN-STORE, ONLINE & MARKETING WITH ONE SYSTEM!

“The switch to Celerant has allowed us to transition from 100%-paper records to digital cloud storage. This transition saves us hundreds of hours monthly doing everything by hand, pen & paper. We can stay compliant, and documents can be instantly accessed, keeping us compliant; it's a game changer for our FFL retail business. Celerant integrates with FastBound and 4473 Cloud, which gives us more confidence in compliance, efficiency, and future growth.”
